

• Simple Steps to the Perfect Party •

Pick a Theme

Use Pinterest to help you gather and organize ideas. Or check out our Party Details page!

Plan Your Budget

Use a spreadsheet to organize your expenses. You don't have to break the bank to have a great party!

Create Your Guestlist

Use a spreadsheet to keep track of guests, addresses, and RSVPs.

Plan Your Menu

Try to have a few items that match your theme. Don't forget to order the cake!

Think About Decor

Want to save on money? Try some DIY centerpieces, rather than expensive floral arrangements.

Get and Send Invitations

You can order invitations or create them yourself. Remember to send out invites 6 weeks in advance!

Make or Order Favors

Be practical and fun! The perfect favor is the best party detail!

Choose Games/Activities

Think about the ages of your guests when planning activities.

Party Time!

Make a plan for party day, so that you can enjoy the party too!
